

# Beyond the Classroom Opportunities!

## Latte Ladies

### Led by Jill Reini

Latte Ladies is a place for ladies who enjoy coffee, chit chat, and the company of other ladies. We provide a place where ladies can come together, share their feelings and thoughts, and learn from each other in a safe, comfortable environment. Latte Ladies is perfect for women who are new to the college, looking for new friends, or just for ladies who enjoy coffee, and to have a few laughs. We'll meet every Friday morning at 8am in the HCC commons for the first month, and then we'll move to Caribou Coffee after that.

## C – C – C

- **Community**
- **Cause**
- **Compassion**

### Led by Mary Iozzo

The 3 Cs "Beyond the Classroom" will consist of a team of HCC students exploring the **community** and finding needs to improve the community we share. The team will reconvene to discuss various needs in the community and determine the **cause** to focus their attention on. Developing a plan of action to act **compassionately** to fill the need is the final stage.

Mary Iozzo started at HCC in 2006 as an Admissions Representative. After recruiting for a few years, she became the Student Success Coordinator, working with faculty and staff to improve student retention. She is currently an Academic Advisor and the Disability Coordinator on campus. She is also involved with the new student orientation and PHI THETA KAPPA student honor society.

First Meeting: Thursday, 9/13 @3:30 in the Commons

## Exploring Psychology

### Led by Jessie Lundquist

Are you interested in Psychology? Have you thought about choosing Psych as a major? Want to learn more about what you can do with a degree in Psychology? This is a group meant for networking and exploring careers in psychology, social work, and mental health. We will explore the experiences of people in these careers as well as interactive small group discussions and questions to learn more about the roles of Psychologists, counselors, and therapists.

Jessie Lundquist has been a therapist in the community for 5 years. She began her education at HCC where she obtained her AA before moving on to the University of Wisconsin-Superior. While there, she obtained her Bachelor's degree in Psychology as well as her Master's degree in clinical and community counseling. Jessie enjoys exploring and discussing psychology with others, especially those with an interest in the field as well!

First three meetings as follows:

First meeting: 9/5 (Wednesday) in room D-36 4:00-6:00 pm

Second meet: 9/20 (Thursday) 4:00-6:00, HCC, room TBD

Third meeting: 9/26 (Wednesday) 4:00-6:00, HCC, room TBD
