<input type="checkbox"/> I understand that if I receive any type of federal financial aid (grants and/or loans), my withdrawal prior to the 60% point in the semester may cause a repayment of funds received and may prevent me from receiving federal financial aid in the future. If I have a student loan, I need to complete an exit interview in the Financial Aid Office. A total withdrawal may also impact my ability to enroll at Hibbing Community College in the future. I am advised to discuss this with a Financial Aid Administrator prior to withdrawing.	
If you totally withdraw or stop attending classes, federal regulations require us to calculate a repayment of your federal financial aid based on your last date of attendance. Therefore, if you have been awarded financial aid, any tuition and/or housing refund may be applied to repay your financial aid.    Initials: _____
