CNT 1100: CISCO Certificate Preparation

A. COURSE DESCRIPTION

Credits: 1
Lecture Hours/Week: *.*
Lab Hours/Week: 2
Prerequisites: None
Cisco Certificate Preparation is designed to assist students to prepare for CISCO certification exams. Students may use CISCO hardware to prepare for one or more of the following CISCO certification exams: CCENT, CCNA, CCNA-S, including related exams.

B. COURSE EFFECTIVE DATES: 11/14/2017 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

1. Identify subjects covered and not covered by the exam chosen.
2. Use practice exams to identify areas that need further study. Assign subjects for further study by group members.
3. Use laboratory simulations to practice implementation of device configuration. Create personal study guides.

D. LEARNING OUTCOMES (General)

1. Students will identify the primary objectives of their selected exam(s).
2. Students will demonstrate certification exam theories in practical lab simulations.
3. Students will participate with classmates to increase their understanding of exam objectives.

E. Minnesota Transfer Curriculum Goal Area(s) and Competencies

None

F. LEARNER OUTCOMES ASSESSMENT

As noted on course syllabus

G. SPECIAL INFORMATION

HCC COMPETENCIES MET:
Working Productively and Cooperatively
Communicating Clearly and Effectively
STUDENT CONTRIBUTIONS:
The student is expected to attend class regularly, participate in class discussions, and perform laboratory simulations.
