Sexual Violence Prevention

Per Minnesota state law, all incoming students taking one or more face-to-face classes on campus are required to complete sexual violence prevention training within the first 10 days of classes.

This class will be available for you to complete about a month before the semester begins online through D2L Brightspace at https://hcc.learn.minnstate.edu/ You can access the course with your STARID and password. We encourage you to complete the course PRIOR to attending the first day of classes, but the course is required to be completed by the 10th day of classes (Summer 2021 – June 18th; Fall 2021 – September 3rd; Spring 2022 – January 24th).

Failure to comply with the required training will result in a hold on registering for your next semester classes. Please keep in mind that this training requirement is now Minnesota law!

In addition to sexual violence awareness training for students and employees, all campuses are required to provide an online sexual violence reporting system that includes options for anonymous reporting. HCC’s online reporting system is located at https://hibbing.edu/campus-services/sexual-violence-resources

Thank you for your cooperation! Together we can ensure that Hibbing Community College continues to be a safe campus for everyone!
Activating your Star ID

Each student will activate his/her unique Star ID and password. With these credentials, a student can access all of the following with the same user name (Star ID) and password:

- E-Services (course registration, grades/transcripts, financial aid award, etc.)
- D2L Brightspace (online courses)
- HCC Email
- Sign-on to computer labs/college network

E-Services, D2L Brightspace and HCC email can be accessed by clicking the “Quick Links” icon on the right corner of the homepage.

How do I get my Star ID and/or Change my password?

Go to [http://starid.mnscu.edu/go/activate/](http://starid.mnscu.edu/go/activate/) and use any one of the following:

- **Student ID**: 8-digit number found on your student ID card or schedule. You will also need your social security number.
- **Verification Code**: A temporary code sent to you via the personal email you have in your student record.

What are the password rules?

To protect your information, you need to choose a complex password and change it every 180 days. That means your password needs:

- 8 to 28 characters
- At least 3 of the following types of characters: uppercase letter, lowercase letter, a number and a special character (example: !@#$%)
- You can never repeat the same password

Tips for creating great passwords can be found here:

[http://starid.mnscu.edu/help/#passwords](http://starid.mnscu.edu/help/#passwords)

Forgot your Star ID or Password?

Go to [https://starid.mnscu.edu/go/forgotpassword/](https://starid.mnscu.edu/go/forgotpassword/)

FINANCIAL AID

Financial aid is intended to supplement the financial contributions from students and family. The Free Application for Federal Student Aid (FAFSA) is the application required for all federal and state aid at Hibbing Community College.

The FAFSA provides a standardized method of determining eligibility for financial assistance. The amount of financial need is the difference between the amount the federal government expects you and your family to contribute to your education and the cost of attending Hibbing Community College.

First things first

- Get your Federal Student Aid (FSA) ID. Both student and parent of the dependent student need their own FSA ID. [www.studentaid.gov](http://www.studentaid.gov)
- Complete Federal Tax Returns if required
- Assemble student and parent income and asset data
- Complete FAFSA online at [www.studentaid.gov](http://www.studentaid.gov)

What is a Federal Student Aid (FSA) ID?

Your FSA ID serves as your electronic signature. Each person required to sign a form must have their own FSA ID. Your personal FSA ID should not be shared!

Why do you need your FSA ID?

You need your FSA Id to perform any of the following tasks:

- Electronically sign the Free Application for Federal Student Aid (FAFSA) on the Web. (Both dependent student and parent need their own FSA ID).
- View the status and results of a processed FAFSA application on the FAFSA on the Web site.

Apply for Stafford Loan online

Make updates to the e-mail address for which your FSA ID is linked to.

Apply online for your FSA ID

Parents and financial aid applicants should apply for their FSA ID online at: [www.studentaid.gov](http://www.studentaid.gov)

Apply for Financial Aid

The Free Application for Federal Student Aid (FAFSA) is the required application for all federal and state aid at HCC. Be sure to enter Hibbing Community College, Hibbing, MN, Code: 002355, in the college release section. Apply online at [www.studentaid.gov](http://www.studentaid.gov) (Both dependent and parent need to sign with their own FSA ID)

The FAFSA should be submitted in early March to ensure it is processed by the HCC priority date of May 1.

IRS Data Retrieval tool

We strongly encourage you to take advantage of the IRS Data Retrieval Tool if you filed a Federal Income Tax Return for 2019. If you are selected for verification and if you or your parent are unable to or choose not to take advantage of the IRS Data Retrieval Tool, you must submit a copy(s) of the 2019 IRS tax return transcript(s). These are available from the IRS and take up to two weeks to receive.

What to Expect

Receive SAR by applying online using your FSA ID, you should receive a Student Aid Report, (SAR), in approximately 3 days. Be sure to supply your email address on the application. The SAR is a summary of the information that you provided on the FAFSA. Review the SAR carefully! If there are corrections to be made, contact the HCC Financial Aid Office for guidance.
Receive Award Letter

Your Financial Aid Award Letter will list the amount of scholarships, grants, work-study and loans for which you qualify. Students will receive an estimated financial aid award letter after their FAFSA is processed and verification documents, if any, are received. Official award letters are typically mailed by mid-May.

Apply for a Stafford Loan

If you choose to apply for a student loan, the steps are available on our website at www.hibbing.edu. Click on financial aid and then loans. The steps are under direct loans for student.

Apply for Additional Assistance is Necessary

If you require more for financial assistance than appears on your award letter, you may be eligible to apply for other loans: Federal Parent Loan for Undergraduate Students (PLUS) or Minnesota SELF Loan. You should contact the financial aid office at HCC for application information.

Important Information

High School Diploma (GED)
Effective July 1, 2012: You must have a High School Diploma or GED to be eligible for Federal Financial Aid!

Priority Timelines

May 1st is the priority date used in awarding campus-based aid. Students filling out their forms incorrectly, or leaving out necessary information will be required to make the appropriate changes. The date a student’s file is accurate and complete is the date used.

Verification

The Department of Education or HCC may ask you to provide documentation to ensure that the information on the FAFSA is correct. Failure to provide information may result in cancellation of all federal and state financial aid as well as aid from other sources.

Dependency Status

The financial information that must be provided on the FAFSA depends on the student’s “dependency” status. If you are classified as a dependent student, you will be required to submit income information for yourself and your parents. For financial aid purposes, the student’s marital status does not change during the award year.
